HOOKS GIVE IT TO LUGNUTS 12-7

Issue 13

5/16/2009

What should have been an easy win ended in disaster. The Lugnuts pull it out 12-7. This was another Saturday loss. The Hooks are plagued with bad luck on Saturdays. They have only won the opener on a Saturday.

The Hooks looked great in the first inning. Wilson singled, then Patton hit a ground ball to short and Wilson was thrown out. Towne singled, then Sewell hit a grounder and was thrown out, but Towne, with some smart base running, ended up on third. Epkins hit his 7th home run and the Hooks started off with 3 runs to open the inning. The Lugnuts started off the bottom of the 1st with a home run and then they were shut down.

In the 2nd inning, Knight started off with a single. Koilin Hilyer hit a ground out. Foshee came to the plate and hit his 1st home run. Patton singled, then

PRE-GAME INSTRUCTIONS

Towne hit his 16th home run, scoring 2 more runs. The Lugnuts go down 1-2-3, score 7-1 Hooks at the end of 2.

Then the Hooks' bats stopped with only two more hits in the game. The error bug hit and the Hooks had 8 errors in the 3rd, and the Lugnuts scored 6 runs. In the fourth, they scored 5 runs on 6 errors. At the end

of 4, the Hooks were down 12-7 and that's how it ended.

The Hooks are now 8-4 and may be out of the championship if they lose any more games. They seem to have a problem with late inning errors taking them out of the game and the bats going cold. The Hooks need a big win over the Rivercats Monday night. Lets go Hooks, fry the Rivercats.

and we have to win them all to stand any chance. We need a little luck and to play better defense. Our base running is coming back. We can do this I know—we have faith in my boys."

There you have it from Coach Towne. He believes in his team so, Hooks fans, lets get behind the team also.

TOO MANY ERRORS

We talked to a disappointed coach Towne. We wanted to know what he was thinking.

"Well, I feel bad for the boys. They have worked so hard and to see a championship slip away is hard. We still have a problem on the infield, and we cannot find the solution, but I will try to solve it. We are doing well starting off the game and then just going cold. We are

looking for the spark to keep them up, but have not found it yet. You have to finish strong as well as start strong and have a complete game. Don't give up on us, anything can happen. I know we all want it, we just need to dig deep and go after wins and control our end. We'll let the Rockhounds prove they want it more than us. We have five more games
