Hooks Terminate Grasshoppers 15-6

Issue 4

4/18/2009

The Hooks proved they can hit when needed. Yes, Hooks fans, we are 3-0 and in 1st place in the American League.

The 1st inning ended 3-0 Hooks on a single by Patton, triple by Wilson and a homerun by Towne. Then the Grasshoppers came up to bat and scored 6 runs on 2 fielding errors and 2 throwing errors. Then our Hooks exploded and scored 7, making it 10-6 after 2 innings.

The Hooks never looked back, and finished the Grasshoppers off 15-6, hitting .680 as a team.

Josh Wilson and Mason Towne are still hitting 1000. Towne has hit 9 times with 6 homeruns.

Wilson hit his first homer today. Fredrick Patton is hitting well at .778 and new comer Jamal Epkins is at .750. Both are helping the Hooks win.

Kyle Hilyer made a great play today by catching a third strike foul to put a Grasshopper bat-

Towne / Wilson Batting 1000

ter out, ending the inning. His brother Koilin hit 1000 today with 2 clutch hits and 2 RBI's.

Otto Burk still doing a great job of being on base when needed, hitting 1000 today also and 1 RBI.

Jeremy Little and Foshee got great hits and covered the corners well to stop overthrows. Jaylon Knight laid a

superb bunt down in the 2nd inning and beat it out.

This proves that this Hooks team is "for real" and has a shot to go all the way. The defense needs to come together and improve.

Look out Sidewinders, the Hooks bats are red hot and are ready for you next on 4/21 at 6 o'clock.

The Hooks looked better today, but they still made costly mistakes and gave the Grasshoppers 4 of the 6 runs today. They will have to play their best to beat a hard hitting Sidewinder team. They will test the outfield and push the limits of any infield with their bats

We're on a roll, Hooks fans, and in 1st place, so let's all show up Tuesday and cheer the Hooks to their 4th win. GO HOOKS!

Patton Hitting .778

Defense Still Weak

The defense, Whats wrong? We asked the coach and he said "Oneness—we are not comfortable with each other and at the positions we play. We have moved players around to see what they can do. So far, we don't have the right combination yet. When we do, we'll be great and until then we'll keep trying to find the right combination. I'd like it see Epkins

come around and play 1st, Sewell at 2nd, Towne at short and Knight at 3rd, with Wilson on the mound. Little and Foshee are doing great at right and left covering the corners. Hilyer is catching well while Burk and Patton are helping our outfield and doing a good job. We need time and practice and it will come together I'm sure."
