### Hooks Defense Improves

and the Mudcat coach, with 14.45 left in the game, called it quits and called the game with the top of the Hooks line up coming up.

We have not seen the Hooks play this well and even the defense showed signs of improvement. Epkins on third played better and so did Knight at 2nd. Towne was on

fire, hitting deep balls all night. Foshee and Burk were the key, and they kept hitting drives up, both batting 1000. Wilson played well on the mound.

All there is to say is WOW! We need to keep the hitting up for the Rockhounds, who are up next. We need to have our best game to win. They hit and field well. GO HOOKS!

to get ready to play the next one." Well, I guess you could say the Hooks coaches are happy and pleased with this win. The Hooks are still undefeated and in 1st place. The Hooks hitters are doing well, but the defense is still suspect and could get picked apart if they don't play well against the Rockhounds. Look out fans, Saturday's game may be the game that determines 1st place and the road to championship.
