Hooks #2 Loss By Knights 4-7

Issue 9

5/2/2009

There were no excuses for a poor showing by the Hooks Saturday. They looked terrible and helped the last place Knights to an easy win.

The Hooks started off the 1st inning with a strike out and then Wilson had a double. Towne pops up. Wilson should not have run, and he is doubled up. Three up three down, no runs. The Knights were shut down by some very good defensive play by Towne and Epkins. Score after one inning 0 - 0.

The 2nd inning, the Hooks had two strike outs and a ground out. The Knights scored 1 run on a homerun, making it 1-0 Knights.

The 3rd inning, The Hooks had two more strike outs and another pop up, scoring 0. The Knights, however, scored another home run on two errors, putting the Knights up by 2.

Towne Hits Home Run #11

The 4th inning, the Hooks were blanked and allowed the Knights to score 2 more to lead 4-1.

The 5th inning, the Hooks and Knights were scoreless.

The 6th inning, the Knights broke out and ran the score up to 7 on poor defensive play by the Hooks. The Hooks had one last chance to come from be-

hind. Wilson led off with a double and Towne homered. Sewell hit a single, then Epkins doubled, scoring Sewell. The next three struck out, ending any chance for a win.

A very poor showing for this team, who were in 1st place but are now in 2nd place. Pray for the hitting to return. Go Hooks!

making more changes until someone steps up. No position is safe."

All of the coaches were very disappointed at the way the Hooks lost to a much weaker team. Eleven strike outs in one game will not win you a game, hitting .385 for the day as a team. The Hooks must step it up to play the 1st place Lugnuts. They hit and field well. Look out Hooks and get sharpened up.

Fundamental Errors

What went wrong coach? "We made too many fundamental errors. We had five infield errors and three outfield errors, which gave them 5 of the 7 runs. We had three throwing errors. We are still not running the bases correctly. The runners are not watching the coaches. We had a man run on a pop fly and get doubled up, and it cost us the inning. Hit-

ting was bad. We had eleven strike outs, and what we hit was right to them. Our team looked terrible at the plate. Their swings were weak at best. This is not the team I know. I think they thought they could beat the last place Knights easily. Well, anyone on any given day can be beat. The Knights were ready and my boys weren't. We will be
